# Opening doors for contractors in China

Access Financial China LLC  
上海艾克萨斯投资咨询有限公司

When we support you in your contracting, we do everything it takes to get it right the first time.

**Modern growth.** The Bund (which means the Embankment) is Shanghai's famous waterfront. It was from here that Shanghai grew into a cosmopolitan and thriving commercial and financial centre, Pudong (in the background) is the new city. Early mornings see tai-chi practitioners out in force.

China is the world's most populous country with 1.3 billion people and is one of the fastest growing economies the world has ever known. It is the second largest economy in the world. China is therefore a fascinating place to be at the moment as it develops as a formidable superpower.

**Enduring.** As one of the greatest wonders of the world, the Great Wall of China was enlisted in the World Heritage Site in 1987. Winding through deserts, grasslands, mountains, and plateaus, the Great Wall is approximately 6,700 kilometres long. The Wall stretches from a seaport in the east coast of China to Xinjiang in the North West. Carrying with itself a past of more than 2000 years old, its architectural splendour and historical significance.

**Mythical.** The Chinese dragon has long been a potent symbol of good luck and fortune. It is also an auspicious power in Chinese folklore and art.

## About Access Financial China LLC

Access Financial China LLC, is authorised to carry out consulting business services on commerce, finance, electronic technology, enterprise management, investment, company registration, export and import, and other related matters. It is located in central Shanghai, within 10 minutes driving from the Portman Ritz-Carlton Shanghai, 20 minutes from Hongqiao Airport and 45 minutes from Pudong International Airport which is reachable by subway or taxi.

With our global network and team work, composed of Chinese lawyers, registered accountants, senior consultants and researchers, our local people can assist you not only with our expertise and experience but also local knowledge, which is very important to your business development in China. As you may know, around 5-8% of the guidance for doing business and investing in China comes from statute, 30-35% from regulations and the remainder from informal practice, which can be understood as local knowledge. This informal rule in China may vary constantly and greatly across this vast country.

With Access Financial China LLC as your Chinese employer you are always assured of professional assistance and a friendly welcome.
